ST LUKE'S PRAYER

Almighty God

who inspired Your servant
Luke the Physician to set forth
in the Gospel the love
and healing power of Your Son:

Graciously continue in
Your Church the love and
power to heal,
to the praise and glory of Your Name, through Jesus
Christ, our Lord.

Amen.

FOCUSED ON YOU

The Anglican Parish of Toukley is seeking to be a Missional Church, in which the members of our church family are supported, facilitated and nurtured in their spiritual development. We have many avenues of community involvement, connection, outreach and study.

Caring Ministries

A portion of the ministries at St Luke's is undertaken by our wonderful pastoral care team. They visit people on hospital, nursing homes, retirement villages and distribute the sacrament either one on one or in a service.

Another aspect of our Apostolic Mission is our Opp Shop, which not only recycles high quality goods it is also a valuable source of funds to maintain our programs. St Luke's is also a Samaritan's Link Centre.
